Dear Customer,

We are excited to present our new catalog. We appreciate your interest in our titles, both old and new.

You may not be familiar with us, but for over 30 years, Atlantic Publishing has provided millions of readers the information they needed to jumpstart their careers, start businesses, invest, build relationships, learn new skills, and live rewarding, fulfilling lives.

Our new releases don't stray from that pattern. Titles like "Making the Most of Your Veterans Affairs (VA) Home Loan Benefits: An Active Duty Service Member and Veteran's Guide to Home Ownership" and "Wealth Unbroken: Growing Wealth Uninterrupted by Market Crashes, Taxes, and Even Death" strive to help readers make investments and be financially successful. Other titles like "For the Love of Beer: Pennsylvania's Breweries" and "A Simplified Guide to Healthy Living: Vegetarian & Vegan Recipes and More" focus on the simple joy that food and drink bring to us as humans.

No matter the subject matter, our deft writers make the subject matter approachable and easy to digest. **These books are all equipped with pertinent Dewey Decimal Classifications, CIP data, and BISAC codes.**

Our award-winning authors, editorial team, and design staff strive to make our books and e-books the most comprehensive and up-to-date nonfiction books on the market. We go above and beyond to provide our readers with the best products.

We explain subject matter in an easy-to-read way, and many of our books are bundled with companion CDs. We spend countless hours interviewing experts on each subject. Our products explain the ins and outs and provide insider secrets and proven methodologies on a wide variety of nonfiction subjects, such as finance, writing, business, and real estate.

Many of our books contain case studies from people who share their techniques to achieve unprecedented success. You will find hundreds of tested hints, tricks, and secrets for using the subject matter to achieve real-world success.

In all of our books, where pertinent, we supply a glossary, an index, a timeline, a bibliography, and a dedicated page of additional resources. We thoroughly and individually check each source, and every fact is cited and double-checked for accuracy. Every one of our books has complete CIP data, and all of our books are presented to School Library Journal, and other sources for review.

Thank you for your interest in our books and e-books!

Sincerely,

Douglas R. Brown, President

Sherri L. Brown, Vice President

SPRING 2018

The multiple award-winning *The Restaurant Manager's Handbook* is the best-selling book on running a successful food service operation. The 5th completely revised edition of this book includes cutting-edge material that you need to run your restaurant in the modern age. This new edition includes case studies from professionals that cover topics such as restaurant branding, franchising, effective layout and remodeling, cost-effective menu planning, food sourcing options, food safety and IoT technology, smart phone apps to ease scheduling and communication hassles, digital marketing, recent trends in the restaurant business, managing online feedback, and innovative ways to promote your restaurant on the web. Hundreds of fun facts are sprinkled throughout this book to ensure that even the most mundane of topics will interest and engage every reader.

The 5th edition of *The Restaurant Manager's Handbook* is an invaluable asset to any existing owner or manager as well as anyone considering a career in restaurant management or ownership. All existing chapters have new and updated information focusing on the progress and implementation of technology. You will find many additional tips to help restaurant owners and managers learn to handle labor and operational expenses, rework menus, earn more from better bar management, and introduce up-scale wines and even local, organic menu items for profit.

This new edition includes updated photos and information from leading food service manufacturers. Anyone in the food service industry will rely on this book for their everyday operations. Dozens of chapters cover the entire process of a restaurant start-up and ongoing management in an easy-to-understand way, pointing out methods to increase your chances of success and showing how to avoid the many mistakes arising from being uninformed and inexperienced that can doom a restaurateur's start-up.

You will have at your fingertips profitable menu planning, sample restaurant floor plans and diagrams, successful kitchen management, equipment layout and planning, food safety, Hazardous and Critical Control Point (HACCP) information, and successful beverage management. Learn how to set up computer systems to save time and money and get brand new IRS tip-reporting requirements, accounting and bookkeeping procedures, auditing, successful budgeting and profit planning development. You will be able to generate high profile public relations and publicity, initiate low cost internal marketing ideas, and you will finally learn how to master the use of social media to increase your outreach and sales. This all-inclusive handbook will give you everything you need to learn how to set up, operate, and manage a financially successful food service operation in the modern world.
